We Bring Your Ideas to Life

Products can be personalized or fully customized. Can't find the exact design or finish you want in our collections? When creativity calls, we're there every step of the way. Take advantage of our clever, artistic approaches as we guide you through a fast, personalized development process that takes into account your creative vision.

Quick Mock-Ups

You need to know your idea will work, and you need to know now. One of the things architects and designers appreciate about working with Stacked Wood is our ability to develop mock-ups in short order, helping streamline your creative process.

CUSTOM VERTICAL

Tailor Made Process

CHOOSE FROM ITEMS THAT ARE EASILY MADE FOR YOU IN OUR TAILOR MADE SELECTION, IT IS A DIFFERENT WAY TO ORDER STACKED WOOD WALLS.

WE HAVE SHEETS READY TO GO FOR YOUR DESIGN NEEDS.

Select Your Design

Select one of eight design options to start the Tailor Made process.

Choose Your Wood

Select either Walnut or White Oak as your wood species.

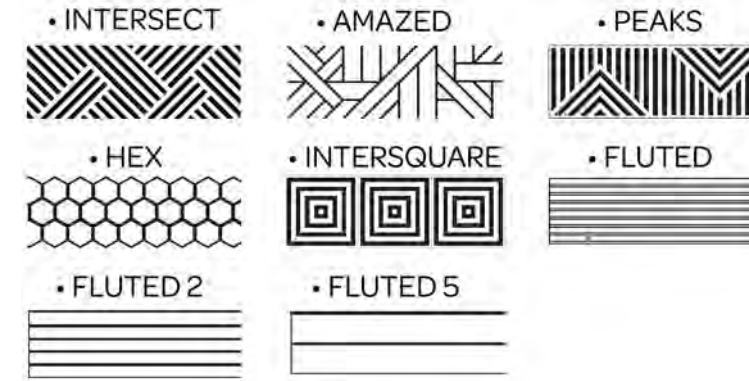

Select Your Finish

Choose from 10% Varnish finish with an added antimicrobial additive or 100% Natural Oil.

Ship Time

Once your order is processed your order will be available to ship in five to seven business days.

Experience Samples

Experience the beauty of Stacked Wood through curated samples; they provide a tactile and visual experience, allowing you to explore the character and color of the material in person. By examining the sample, you can fully appreciate the unique grains, textures, and variations that make stacked wood a captivating choice for your space.

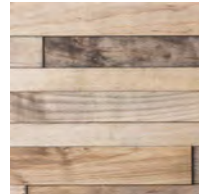

Due to the nature of the product as a unique and organic material, imperfections and variations in wood grain, cork, and color may vary from samples.
